5 Ways to Earn Money this Fall!

If you want to earn some money this fall, so you'll have some for holiday fun and gifts, here are some ideas:

1. Rake leaves.
2. Help neighbors get their lawns and gardens ready for winter. (Some people put protective coverings over their plants.)
3. Help someone with homework.
4. Walk dogs.
5. Clean up after dogs or cats. (Yep, it's a smelly job, but someone has to do it!)

Be sure to check with your parents to see what they'll let you do!

After you earn the money be sure to put it in your savings account at the credit union so you earn dividends until you are ready to use it!
