Thank you for being a valued member of Muskegon Co-op FCU! Hopefully you've noticed how much we enjoy helping you with your financial needs. The benefits of banking with a local credit union like Muskegon Co-op are really catching on! Yes, we have great rates, but people like how we are more flexible, understanding, and that decisions are made by people right here in Muskegon. Because more and more members like you are choosing Muskegon Co-op, we need more space!

We are excited to announce that we will be moving the **Peck Street Office** to a new building December 10-13! We have outgrown the office and need more room to continue giving you and other members the attention and awesome service you deserve. The new location is just down the street, located at **715 Terrace Street**, Suite 101, directly across from Harley Davidson and the Muskegon Farmer's Market. We will also be directly on the MATS bus route!

The new office will have a welcoming lobby, comfortable spaces for us to meet with members, 3 drive through lanes, and a drive-up ATM. The building has plenty of parking for you and is handi-cap accessible. We are excited about this new facility and we can't wait for you to see it! We will keep you posted as we get closer to making this a reality and invite you to the grand opening once we have a date!

If you have any questions, feel free to call us at 231-726-4871 any time.
